# Alcohol, drugs, smoking or Jesus?

The pure love of **God** for you all, is **far** better than anything in this life: Spreading the love, ecstasy & immense peace of **God** all day long is **far** better than anything you may imagine!!! Therefore, it is better to follow our Lord, Saviour & **God**, **Jesus Christ** than to do anything else, including doing drugs, drinking or smoking!!! Sometimes I am asked, if God created cannabis tobacco & other narcotic plants, why does he **not** want us to drink, do drugs or smoke? Well, this question is a bit weighted, for though it is true that God **did** create all things **in the beginning** to be pure & good, when Adam and Eve ate from the forbidden tree of the knowledge of good & evil, Death became ruler over the world & started to corrupt certain things: like narcotic plants, & parts of the human body too; which is why there are thorn trees, poisonous snakes, dangerous wild animals, disease & why we sweat!!! Since we have all sinned, if Adam & everyone else before us had not sinned, **our** sin would have brought Death into this world!!! Wars, over farming, deforestation & other evils (like the extinction of the Dodo) upset the delicate ecosystem on our Earth & cause tsunamis, earthquakes & all sorts of natural disasters. Also Jesus turned water into new wine (grape juice) **not** alcoholic wine!!! So **God** does **not** want us to smoke, do drugs, or alcohol or do bad, selfish or useless things because doing **these** things brings despair, fear, sorrow, trouble, insomnia, disease, madness & many curses into our lives, but instead, **God always** wants us to have the true **inexpressible** blessings of the **Holy Spirit** in **Jesus Christ** by **faith**, which are **far** better than Satan's counterfeit highs with cannabis, nicotine, drugs, alcohol or **any** bad addiction!!! And of course, the reason why Satan **longs** for us to do cannabis, nicotine, alcohol, drugs or evil is so that **he** can **control** us, **kill** us & **destroy** our lives in **hell** forever & ever. Why smoke, drink or take drugs, which cost money, are addictive, have come-downs & cause trouble, despair, insomnia & all sorts of problems & diseases when you can have the **power** & gift of **God** in your life through **Jesus Christ** our **Lord**, who **died** for us in agony on a cross to undo **every** curse in **our** lives & to forgive us **our** wrongs; but rose from the dead to give us **always**, by **faith**, his **everlasting inexpressible peace, joy, love, power & immense blessings** (which are **so much better** than the effects of **any** drug, are **free**, have **no** side effects nor come-down, & would mean you **never** gag again for another fix)? So my dearly loved ones, please **never ever** do drugs, evil **nor** sin, but let the **Lord Jesus** be your **ecstasy, passion & God**; thank him for dying for us & give him all of your heart, soul, strength & mind so that as you follow him by faith, you may be addicted to loving him, his holiness & his peace, & so always be so blessed in God that you hate drugs, alcohol, smoking & every evil addition & bad habit, but love truth, holiness, peace & joy in God!!! May grace, peace, power & mercy be always yours in abundance, by intimacy with God, in **Jesus Christ** our holy Lord!!! Amen!!! Rejoice!!!
