

Marriage *in* paradise!!!

The pure love of **God** for you all, is **far** better than anything in this life: Spreading the love, ecstasy & immense peace of God all day long is **far** better than anything you can imagine!!! Therefore, it is better to stay single & serve **Jesus Christ** our Lord God, than to marry!!! But it is **not** a sin to marry, so if you wish to marry, you may; & it is also **better** to marry than to be desperate!!! **Love** is very intimate & private & so can **not** be taken lightly for it involves **very** strong emotions & is **highly** addictive: a lover has a very strong emotional affect on your mind & heart!!! So please be **extremely** careful **if** you choose a partner, for bad or broken relationships cause **many** hurts to **both** parties. As relationships produce babies & as every child has the right to live with a father & mother who love each other **permanently**, please make **sure** that **if** you start with someone, you **want** to live with them for life: that you **want** to be the grand-parent of their grand-children!!! Why go out with someone you do not want to be with for life? Would you not then, be planning to break up? Wouldn't this bring trouble & pain to **you** & others? If you say "yes" to someone or are intimate with them, you can **never** go back & undo what you did or said, so before **God**, you **are** betrothed or married to them (or have been adulterous): so **only** go out with someone you really like & get on well with **also** as a friend!!! Why go out with someone who is externally very attractive, but just does your head in if you lived with them? And please do **not** think that you can have a casual relationship!!! How can such an intimate & powerful thing **ever** be casual? A lover **always** has a strong affect on **you**, whether you like it or not!!! So please trust **God**, seek **him** & ask **him** for a perfect match (if you want one) by **your intense** prayers & faith, & he **will** provide an **incredibly** attractive & perfect match for **you**, in **his** time!!! **Yes**, he **will**!!! Give **thanks** & be patient: your **perfect** match **will** arrive as you **follow Jesus**!!! A lover is for **life**, so **please** choose **wisely**: I meet young ladies in Leighton Buzzard who have ended up with boyfriends who mess them around, or reject them, or just want to do evil with them to boast, or who are cruel or unfaithful: & it **tears** my heart **so** much that I weep **tears** of love with **screams** of compassion as I pray my heart out for them!!! Some women mess around with men too & rejection breaks a man, so **please** beware of the adulterous, the immoral & whores & **avoid** them like the plague!!! **Please** test & assess a potential lover **extremely** carefully, beloved friends & **only** go out with a perfect match for **you**, as **God** shows!!! If you have a crush or fall in love with someone who is no good for you, who says, "no", or who can not be yours, you can just as easily fall back out of love or lose your crush on them by **much intense** prayer (maybe with a friend &/or fasting) in **Jesus**!!! If you are asked out, you **can** say, "let's just be friends **first** & **then** I'll decide"!!! Please do **not** go out with someone **just** because they **look** good!!! If you do not get on well as **friends** you **are** heading for disaster, for good looks **quickly** lose their sparkle!!! And why go out with someone who **only** looks good when you can have someone who **looks** stunning, & is **also** a lovely friend & a great parent, **if** you'd only seek **God** & wait for **his** choice!!! **God** commanded **all** of Israel through Moses that if a man has taken a new wife, he must **not** be sent to war, nor have **any** duties, but he **must** be **free** a whole **year** to please his new wife!!! For **God** knows that marriage with **his** amazingly wonderful choice for you is extremely passionate, for it is the joining in one of two persons, and so, it will be difficult to **do** anything for the first year except to think about & **be** with your partner!!! So **please do** treat a lover as a brother or sister **until** you marry & please **do** have a year long honeymoon!!! If you are already in a relationship that isn't working well, please work at it with **much** love, tenacity & prayer & **get** (at least **your** side of it) to work!!! **Never** give up!!! **God** **hates** divorce & break-up of any relationship (for he loves **everyone so much** & so hates the pains, woes & troubles of break-ups) so **please never** divorce nor reject a partner who is legally yours (before **God**)!!! If you have been rejected or divorced, please **do forgive** as **Jesus** forgives us through his blood (for that will give **you great** peace & **much** joy) & please **do** continue praying for your lover, whether or not they return!!! But **remember**, whether you marry or not on earth, **Jesus** will **always** be your **spiritual** lover from heaven!!! Yes, he **died** in agony on a cross **for us**, but rose again from the dead to give us power (by faith) over sin & Death so we may be holy as **God** is holy, & so we may be **his** spiritual lover in the Holy Spirit forever!!! So please thank **Jesus** for dying for us, give him **all** of your heart, soul, strength, life & mind forever, & be **his** spiritual lover by faith, so his beauty, joy & peace may **always** overflow superabundantly in your lives forever!!! May grace, peace, power, pure love & mercy be **always** yours in **abundance**, by intimacy with **God** through **Jesus Christ** our **Lord**!!! Amen!!!
