

Running home!!!

Waking up /// the darkness we shall beat,
Getting up /// We're up now on our feet!!!

We'll fly on the wings of a beautiful dove,
Soaring above, for evermore!!!

Up in the sky, Oh, oh, so, ever so high,
Together as one, for evermore!!!

Warming up /// our hearts will we stretch,
Running fast /// We no longer are a wretch!!!

Running home /// We'll never be alone!!!
Coming home /// We shall no longer roam!!!

You're at home /// waiting for us now!!!
We'll be there /// You've killed the fatted cow!!!

Flying high /// High above the clouds!!!
Your son we see /// We hear him clear and loud!!!

Burning hot /// Your fire's in us now!!!
Lots of fuel /// You'll never let us down!!!

Nearly there /// the race is almost won!!!
Now we're home /// We have become your sons!!!

To paradise (restored)!!!

We are running, crossing rivers, jumping hurdles every
day, to paradise (restored) for evermore!!!

Sing, rejoice, dance & clap!!!

We are climbing every mountain, lifting horizons every
day, to paradise (restored) for evermore!!!

We're mounting up on wings as eagles, flying higher
every day, to paradise (restored) for evermore!!!

We are digging, digging deeper, in the soil of our hearts,
to make paradise, restored, for evermore!!!

We're fining silver & gold & honing gems in our hearts,
to make paradise, restored, for evermore!!!

We're destroying all the darkness with the light of love,
to make paradise, restored, for evermore!!!

Rejoice

He gives us rivers of living waters in the desert &
his waters flood you with everlasting joy / peace / love ...

His word goes forth like a cool fresh breeze,
and all the trees of the fields clap their hands!!!

The night is over and gone,
A new day dawns and the birds are singing!!!

Behold, the winter is past,
the trees are green & the sun is shining!!!

The flowers appear over all the earth!!!
the sky is blue and crystal clear!!!

The fig tree puts forth its tender figs!!!
the vines with tender grapes are fragrant!!!

The years the locusts have eaten have been restored!!!
This is better than dreaming!!!

The season of singing has come!!!
The cooing of doves is heard throughout our land!!!

He brought me to his banqueting table!!!
His banner over me, is love!!!

He said, "rise up my love, and come away with me!!!
Fly with **me** my dove and don't look back!!!"

He said, "Let me see your face!!!

Let me hear your voice!!!

For your voice is sweet & your face is so lovely!!!"
