

My most dearly, dearly, dearly beloved friends, may you all know God's amazingly wonderful love, ecstatic joy, perfect peace; power, mercy & justice, & so always be far, far, far

Too happy to ever worry!!!

Many ask me how I can be **so** sure that **Jesus & God** exist!!! Well, just as I know that alcohol exists (though I have never actually **ever seen** alcohol: I have seen bottles of beer & wine, but not the actual alcohol in it) by the effect it has on certain people late on a Saturday night, so I can assure you that **Jesus & God are** alive by the affect **he** has on **me**!!! I presently have no paid job, no gym nor club membership, no TV, no radio, no computer games, I never do drugs, alcohol, nor smoke & have few possessions; so the reason I am always **so** happy is because I am plugged into the power of heaven by faith in **Jesus Christ**: for **if Jesus** or **God** did not exist, I'd be the most miserable man around!!! Yes, it is **Jesus'** immense love for **us** that **always** blows me apart: for **Jesus died** for **us** but rose again, visited his disciples, bodily ascended into heaven & sent his **Holy Spirit** to live **in** us, by faith, & **he is alive** for evermore!!! His super-abundant life **in** me means that I never tire, am never lonely, depressed, down-hearted, bothered by the cold or heat, nor sad; but I am bold, content & not worried about **anything**, not even what people may think or say!!! I am **amazingly** blessed because I accept **Jesus**, by faith!!! And my desire for **all** of you, is that the ecstasy, love, **immense** peace & incredibly amazing blessings of **heaven** would **always** overflow in your hearts, minds & lives by faith in **Jesus Christ**!!! Yes, the infinite love of **God** for us, in **Jesus**, gives us **unending overflowing** happiness, joy & energy in **abundance** (by faith) so that we are **always far** too happy to **ever** worry or fear!!! The perfect **love** of **God** works **in us** by faith in **Jesus' blood**, which if you have any questions, would like prayer

cleanses us from **all** unrighteousness & **removes** fear, sorrow, worry, stress, loneliness, tiredness, anxiety, insomnia, sickness, madness & **every** curse from our lives, by his resurrection power **in** us, so that we are **always far** too glad, calm & close to **God** to get angry, bear a grudge, argue, be rude, slander or lie, however much we suffer, are abused, persecuted or broken for **Jesus & his perfect love**!!! We are **always far** too high on the **power of God** to be lazy or worldly; do drugs, alcohol, smoke, sleep in or be immoral!!! For we **always** experience the ecstasy & immense peace of **heaven** all day long in our hearts that is **so** much better than these!!! We are **always far** too joyful & content in **Jesus**, to worry about food, clothing, or anything; or fear, for we know **God** is with us & trust he **will surely** look after us!!! We are **always far** too inebriated in **Jesus**, to grumble, be arrogant, cruel, foolish or selfish (even in thought) for we know that sin takes us out of the glory of **God**, curses us & leads us to hell, except we let **Jesus** rescue us!!! And we are **always so** elated because we do **absolutely** love **God & everyone** else too, because **he** first loved **us & died** for **us**!!! For walking in the love of **God** at all times, **always** gives us intense joy, immense peace & sure hope, eternally; health (in every way) pure wisdom, power & every good & perfect gift in glory too, so that we always sleep & dream so sweetly that we **always** wake up **early & bounce** out of bed, **flying** on the wings of the dawn!!! So please **thank Jesus** for **dying** for **us** to **take away every** curse & **all** arrogance, unbelief, lying, slander, cruelty, lust, greed, immorality,

laziness, selfishness & sin from our lives, so that **we** may love as **he** first loved **us** (by faith) & walk in peace, holiness, power & mercy as he walked on this earth & so receive **every** heavenly blessing!!! The secret of eternal happiness is contained in the coded phrase: "the blood of **Jesus Christ**"!!! Now the Romans were expert torturers, so they minimised blood loss at crucifixions, so that their victims were tortured as long as possible before they died!!! So the blood of **Jesus** is nothing to do with his physical blood!!! Moses said that his blood refers to his life: so it is the incredible love of God in **Jesus**, yes, his amazingly incredible **life**, which cleanses us from every sin & takes **away** every curse!!! For we understand that **Jesus** was amazingly lovely: he was pure, kind, gentle, sensitive, compassionate, not rude, arrogant nor selfish and absolutely perfect all the way through!!! He was amazingly courageous & bold: he would not bow down to wickedness nor sin!!! He fasted & prayed in the wilderness for forty days & nights; he was baptized by John in the Jordan; he healed the sick, the blind, maimed, lame, deaf & dumb, he cast out demons and every curse by his powerful word & he proclaimed the eternal good news of **God**!!! But he was rejected by his own people, betrayed by his friend, Judas Iscariot; beaten, mocked, whipped and condemned to death by crucifixion on trumped up charges ... but he **gratefully** carried his cross & walked to mount Calvary where evil men **hammered** nails through his hands & feet!!! The religious leaders hurled insults & curses at him as they mocked him all day long ... but as he was

screaming in agony, he was crying his eyes out in compassion & love for his torturers, so he prayed, "Father, **forgive** them, for they do not know what they do!!!" and he died of a broken heart!!! So since **Jesus**, who was so lovely, kind, compassionate & pure & who never did anything wrong, even in thought, **forgave** such terrible sinners, how much more should **we**, who have been arrogant, rude, immoral, cruel, slanderous, foolish, lazy, selfish or wicked in some way, **forgive** those who have sinned against us **so** little compared to how much **Jesus** was sinned against? So the blood of **Jesus** washes away **our** sins & takes away every curse from **us** **if** we choose to consistently walk as **Jesus** walked, to love as **Jesus** loved & to completely & frankly **forgive** as **Jesus** forgave us!!! So to sum up, the blood of **Jesus** heals us from **every** curse & disease by giving us **amazing** strength to **absolutely forgive** & unconditionally **love everyone**, even those who have hurt, rejected & abused us!!! So far, I have never heard of anyone saying, "alcohol works for you (each to their own) but I have tried alcohol & however much I drink alcohol, the alcohol never has any affect on me" because alcohol **will** have an affect on **everyone** who drinks it!!! Likewise, **all** who seek **God** with **all** their heart & soul **will** find the super-abundant blessings of heaven **if** they do **not** give up, for **Jesus** is the **true** alcohol of **heaven** who **always** inebriates us but **never** makes us drunk **nor** gives us a hang-over!!! But, if you confuse orange juice or milk with alcohol, however much milk or orange juice you drink, you **will not** get drunk!!! Likewise, if you confuse **God** with false religion

or anything that sets itself up as **God** (& is therefore a false god) however much you get into that religion or false god, you **will never** find the **immense blessings** which **Jesus died** for, for you to have!!! **God** is a really nice man & **not** a religion, so please seek **him** with **all** your heart, mind & strength, beware of (but **love**) false preachers & false Christians & **imitate** the love, boldness, joy, tenacity, faith & power which you have seen & heard **in** me, by connecting with **heaven**, by the **Holy Spirit** of **God**, in **Jesus Christ**!!! A friend once said to me, "when I am not in Leighton Buzzard, it's **so** dull elsewhere without you" so I said, "please **do** download the **Holy Spirit** of **God** from heaven into your heart, by faith in the name of **Jesus Christ**, for he is my essence, my ecstasy, power & love who will **surely** be **with** you **wherever** you go & keep you as happy & content as I do!!!" So **please** download the **Holy Spirit** of truth into your hearts, my friends, **right now**, by faith!!! And **if** you lie awake at night, please **do** remember me, & ask **God** to show you the **Jesus** whom I **love & adore so** much, examine **all** your life with him, forgiving those who've hurt you, asking forgiveness for your sins (for **we** are forgiven as we forgive) making **vows** to **God**, to **change**, (with his help) & pray **hard** for **everyone** to be blessed, & you **will** sleep **sweetly**!!! All blessings be **always yours** in super-abundance, **forever**, from **God** our **Father & Lord, Jesus Christ**!!! **Amen**!!! **Never** look back, but **run** with **all** your heart, mind, soul & strength in the **power, peace & love** of **Jesus Christ** forever, praising, thanking & imitating him, by **faith** in him!!!
