

*My most dearly, dearly, dearly beloved friends, in the kingdom of heaven, where perfect love, ecstasy, immense peace & every blessing always rules, you are always very, very, very*

# WELCOME!!!

My most dearly, dearly, dearly, beloved friends, may you all always, at all times, in every situation & in all circumstances, every day & forever, overflow with infinite power, perfect love, ecstatic joy, immense peace, sure hope, good health, wisdom from heaven, boldness, energy, strength & every good & perfect gift (as it is in heaven) by faith in Jesus Christ our Lord & God!!! For Jesus does love you very, very, very much, so he gratefully carried his cross to Calvary, where he was crucified. On the night he was betrayed, Jesus was heart broken & made intensely sad, & so prayed so hard all night long that his sweat was as drops of blood, to heal all our broken-heartedness, insomnia & sadness (by faith) so that we may always sleep well, have sweet dreams & always overflow with ecstatic joy (by faith)!!! On the cross, Jesus was intensely lonely, forsaken & cut off from God to destroy all our loneliness, despair & suicidal thoughts (by faith) & to cause us to always overflow with perfect love, happiness & the comfort, joy & fellowship of the Holy Spirit (by faith)!!! On the cross, Jesus was vehemently ridiculed & cruelly rejected to destroy all our inhibitions, shame & rejection (by faith) & to make us always overflow with great confidence & trust in our heavenly Father who has now accepted us & made us his adopted children (by faith)!!! On his cross, Jesus became sin to destroy all our arrogance, selfishness, cruelty, immorality, slander & wickedness (by faith) & to make us always overflow with holiness (like him) in this cruel & wicked world (by faith)!!! In the desert, Jesus became intensely tired, weak, hungry, thirsty, hot in the day & cold at night to destroy all our tiredness, hunger, thirst, sunstroke & coldness (by faith) & to cause us to rise up on wings as eagles & to always overflow with freshness, encouragement, coolness in the heat & warmth in the cold, as he feeds us with the bread of heaven & water of life, so that we never thirst, hunger nor tire (by faith)!!! Jesus was betrayed, beaten, slandered, falsely condemned to death & crucified, to cause us to always overflow with his infinite power, boldness, courage, strength, & energy (by faith) however much we are persecuted or mistreated for him!!! On the cross, Jesus died to destroy death & to give us his sure hope & overflowing life, eternally (by faith)!!! On the cross, Jesus had nails hammered through his hands & feet & was intensely cursed to destroy all fear, stress, worry, anxiety, sickness, every bad habit & vile addiction, madness & absolutely every curse in our lives (by faith) & to cause us to always overflow with his health, immense peace, courage & absolutely every blessing for evermore, by the power of the Holy Spirit who lives in us (by faith)!!! Yes, Jesus lived his life with great suffering (even his own half brothers did not believe in him) but his whole life was love, focussed on training to be strong enough to carry his cross for us thankfully, & to die to deliver us from all our sins & absolutely all our curses, by faith!!! On the cross, as he was dying in terrible sorrow & agony, Jesus prayed for us with screams & tears, saying, "Father, forgive them, for they do not understand what they do!!!" So, by faith, we understand that doing evil is terribly wrong & permits Death to enter our lives. Death brings all sorts of sicknesses & curses into our lives & eventually kills us & takes us to eternal damnation in the lake of fire, except we are set free from Death by faith in Jesus!!! So, by faith, we are heart-broken by sin's terrible nature & say "no" to being arrogant, selfish, immoral, unforgiving, foolish, lazy, faithless, cruel or wicked, in word, thought or deed, (for we now abhor sin) but say "yes" to perfect love, humility, courage, wisdom, tenacity & holiness, by faith!!! As Jesus did not sin, he could not stay dead!!! He overcame death three days after he died, & appeared to his disciples, who did not believe that he had risen from the dead, until they saw the nail prints in his hands & feet, had eaten with him, had handled him & had spoken with him after he had risen from the dead!!! His body became glorified, so that he could walk through walls!!! But he was not a ghost for they could handle him & he could eat!!! About forty days after he had risen from the dead, his glorified body overcame gravity & he physically ascended into heaven!!! Yes, his disciples watched him go up!!! A few days later, Jesus sent his Holy Spirit (who is also God) to live inside every believer to empower us to run as Jesus ran, to walk as Jesus walked & to never tire of doing good (by faith)!!! So please, my dearly beloved friends, accept these wonderful glad tidings, take these words to heart, love Jesus with all your heart, life, mind & strength in the power of the Holy Spirit, & run to his paradise restored (for evermore) by being as wise as Jesus is wise, forgiving as Jesus is forgiving, holy as Jesus is holy & loving as Jesus is loving!!! Always be filled to overflowing with the Holy Spirit of God & by faith overcome all fear, sorrow, worry, stress, anxiety, insomnia, depression, tiredness, rejection, shame, broken-heartedness, despair, loneliness & every sort of sickness, curse & sin in your lives by continually walking in God's power, glory, holiness, love & peace forever!!! For if you have faith as small as a mustard seed, nothing will be impossible for you!!! May grace, peace, power & love always overflow in you, by the knowledge of God, in Jesus Christ our Lord!!! Praise God!!! Amen!!!
