

My most dearly beloved friends, the wise in God always overflow with perfect love, ecstasy, immense peace & every blessing forever; by faith, so with all your getting, please, please, please

Get wisdom!!!

Wisdom is the knowledge of how to solve a certain question; how to be pure, holy, kind, righteous & perfect in every way & how to always enjoy the infinite peace, love, joy & overflowing blessings, for which **Jesus died** for us to have, by faith!!! By faith, we understand that as high as the heavens are above the earth, so **high** are **God's** thoughts above ours!!! Well, it is just obvious, isn't it, that the one who put the stars in place & makes hail stones fall from the sky must have an ability to think that is **far, far** greater than mine!!! For my brain isn't even as big as Leighton Buzzard, let alone the U.K., the solar system, our galaxy or the universe; but **God's** brain is far, far bigger even than all that!!! So, by faith, we know that we are created by **God** to receive his intense, immense & amazingly wonderful love for us, all day long & at all times, so that, by faith worked out by his love in us, his incredible blessings may **always overflow** superabundantly in our lives forever!!! By faith, we know that **God** created the universe in six days, he created the light out of the darkness & he created the earth out of water!!! So we know that the big-bang theory is not true for if it was true & all the planets & our sun condensed together, then all the planets would rotate on their axes in the same direction (by conservation of angular momentum) but Venus does not: it rotates in retrograde!!! By faith, we understand that **God** created every animal & plant according to their kinds, so we know that the theory of evolution is not true, for it contradicts the second law of thermodynamics!!! The second law of thermodynamics states that a system can only become more disordered over time or stay the same: so there is a certain probability that a glass on a table (more ordered) can fall & smash into many little pieces (more disordered) but we never see a load of little pieces of glass on the floor (more disordered) jump up & become a glass on a table

(more ordered)!!! But the theory of evolution claims that a disordered soup of chemicals in a primeval sea ordered into fish, & then frogs, which jumped out on to the land & became animals!!! But the second law of thermodynamics prohibits this & does oppose & cancel the theory of evolution!!! Obviously **God knows** all this & he can not be too happy with us if we claim to believe in the big bang or evolution!!! But **God** does still love us **ever** so much, & he sent **Jesus** to die in our place, on a cross, to undo all the lies we have believed, by faith in his blood, which works as we change & follow him in all **his** ways of peace, perfect love, holiness, patience, power, joy & every good & perfect gift continually, all day long, forever & ever!!! Amen!!! By faith, we know that **God** is good & **God** is love, so **all** that **God** himself does is **only** good, just, righteous, holy & loving!!! By faith, we know that **God** gave the Earth & everything in it to Adam & all of us, to look after & make good use of, in **love**!!! But men chose to be wicked & let Satan rule the earth, so disease & bad things happen even to good people!!! Since the ecosystem is very finely balanced, wars, over-farming, deforestation & other man-made calamities (like the extinction of the Dodo) over the centuries produce natural disasters!!! But as Christians, we **use** the bad done by the wicked to us for our love of **God**, to strengthen us & to make us rejoice even **harder**!!! For **Jesus** said to us, "**blessed** are you when you are reviled, persecuted, falsely accused & abused for the truth, for so they persecuted the prophets before you!!! Leap & dance for joy in that day, for **great** is your reward in heaven"!!! This blessedness is extremely great, for we have a tiny taste of just how much our Lord & Saviour, **Jesus Christ**, whom we love just absolutely **so** much, **suffered**, to undo all our arrogance, slander, indifference, selfishness, lust, immorality, cruelty & sins on a cross, to give us **freedom** from fear, worry, sorrow,

loneliness & **every** curse, so that by faith, we may say a loud "**no**" to sin & wickedness & "**yes**" to perfect love, joy, peace, kindness, goodness, faith, tenacity, holiness, righteousness, humility & every good & perfect gift!!! Wow!!! **God** is really, really, really **good**, so please give **him** your heart, life & soul my friends, & ask him to teach you all his ways so that as you seek him with **all** your heart, you may find out what you were created for: the kingdom of truth where perfect love, ecstasy & immense peace **always** rules!!! By faith, we know that **God** is perfectly just, so we **greatly** fear to sin (even in thought) for we know that sin permits Death to rule in our lives!!! And Death brings disease & all sorts of curses into our lives before finally killing us & eternally destroying us in the lake of fire, except we ask **Jesus** to rescue us from Death, by faith in his blood & his resurrection power!!! For **Jesus** rose from the dead, ascended into heaven & is seated at the right hand of **God** to pray for us & to give us his **power** to run as he ran & to walk as he walked!!! So please thank the Lord **Jesus** for dying for us, believe in his resurrection power & follow him **every** moment of your life, all the way to heaven!!! **Praise** the Lord!!! The wisdom that is from above is firstly pure, then peaceable, meek, easy to be intreated, full of good fruits & mercy, without partiality & without hypocrisy!!! So please do **not** blindly believe what scientists or even religious men say, but believe the Lord **Jesus Christ** & his holy saints!!! You will recognise a saint, for they always **overflow** with energy, peace, holiness, joy, kindness, goodness, tenacity, love & every good thing; & are **never** angry, unkind, lazy, selfish, arrogant, immoral, foolish, cruel or wicked in **any** way (even in thought)!!! Yes, believe **them**!!! May grace, peace, & power **always overflow** in you, beloved friends, by the knowledge of **God** in **Jesus** our Lord, as you walk in the true wisdom of his love!!! Praise **God**!!!
