

The number of the beast is 666 (and in some Greek manuscript it is 616)!!!!!!
 Now, each Greek letter doubles as a numeral, so you may add up the numerical value of each Greek letter in a word to calculate the numerical value of any word!!!!!!
 The values of each Greek letter are:

α	β	γ	δ	ε	ς	ζ	η	θ	ι	κ	λ	μ	ν	ξ	ο	π
1	2	3	4	5	6	7	8	9	10	20	30	40	50	60	70	80
ρ	σ	τ	υ	φ	χ	ψ	ω									
100	200	300	400	500	600	700	800									

Now, it says, that without the mark of the beast, nobody was able to buy or sell, so clearly the beast is Money!!!!!!
 The Greek word for money (which also means silver) is ἀργύρα, and the endings of Greek words change to fit the grammar, so it is also ἀργύρα

$$\alpha = 1 \quad \rho = 100 \quad \gamma = 3 \quad \upsilon = 400 \quad \iota = 10 \quad \alpha = 1$$

$$\text{So } \alpha\rho\gamma\rho\alpha\alpha = 1 + 1 + 100 + 3 + 400 + 100 + 10 + 1 + 50 = 666$$

$$\alpha\rho\gamma\rho\alpha = 1 + 1 + 100 + 3 + 400 + 100 + 10 + 1 = 616$$

So the beast is Money which stands for the love of money, i.e. selfishness or selfish gain, so the whole book of Revelation is about the Christian's fight against the love of Money; and is written in non-literal symbolic language!!!!!!
 John said that the revelation was given to him to show God's servants what would soon take place, so Revelation was CURRENT 2,000 years ago and details symbolically, the events in the life of a Christian!!!!!!
 So please rejoice ecstatically as you follow hard after the Lamb who was slain from the foundation of the world, and wash your garments and make them as white as snow in the blood of the Lamb!!!!!!
 Please be with you! With lots & lots & lots of love and many, many, many prayers,
 Johann
 Love you!!!!!!
